

LOW STREET SEWER TRIBUTARY AREA

February 9, 2006

CITY OF NEWBURYPORT
ESSEX COUNTY
MASSACHUSETTS

300 0 600 Feet

Legend

Low Street Sewer Tributary *

Sewer System Subareas

Building

Paved

Water Features

Ponds & Streams

Wet Areas

Parcels

January 2005

* Please note, in areas where land is currently undeveloped, lots are assumed (and shown) to be tributary to the Low Street Sewer. At the time of proposed development it should be confirmed that sewer flow will be directed to the Low Street Sewer and not an alternate tributary area prior to the assessment of any Low Street Sewer Privilege Fee.
